An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with attorney Joseph Seibold on September 1, 2005.

The application has been amended as follows:

Page 7, line 13, -- (recess) -- has been inserted after "channel".

Claims 21 and 24 have been canceled.

"channel" has been changed to -- recess -- in the following places: claim 1, lines 7 and 10; claim 2, line 2; claim 4, line 1; claim 18, line 5.

Claim 18, penultimate line, "and" has been deleted; last line, the period has been changed to a semicolon, and the following paragraph has been inserted thereafter:

-- and

d) securing the shield member in the recess formed on a front face of the housing. --.

Claim 23, line 3, "and" has been deleted; last line, the period has been changed to -- ; and --, and the following paragraph has been inserted thereafter:

-- a recess formed in a front surface of the housing, wherein the insulative structure retracts into the recess when the electrical blades are inserted into the electrical outlet. --.

The following is an examiner's statement of reasons for allowance: none of the prior art of record discloses or teaches an insulative structure (shield member) which collapses into a recess formed in a rear wall of the safety device, in combination with the rest of the subject matter of the independent claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gary F. Paumen whose telephone number is 571-272-2013. The examiner can normally be reached on Monday-Thursday.
